

# WHEN ALL OTHER COMMUNICATIONS FAIL

...or you just want to order a pizza

Get more from your IP Access International [RedPHONE](#) with the roll out of RedPHONE Enhanced and RedPHONE Enhanced DID. Both options come standard with all of the features of the original RedPHONE, but allow you to add outside calling and direct dialing.

Contact your IP Access Sales Representative to find out how you can upgrade your existing RedPHONE.

	RedPHONE Standard	RedPHONE Enhanced	RedPHONE Enhanced DID
Off-the-grid agency to agency voice service	✓	✓	✓
